Theme: Back to School

Hi Everyone,

Happy New Year - hope you had a most wonderful time celebrating the holidays with your loved ones! Also, welcome to the **Spring 2024** semester.

As we get back into the swing of things, I hope we all are looking forward to the courses we'll be taking this term, new skills to be learned, and further developing our relationships with fellow learners and faculty.

On that note, we'd like to hear from you - academically, personally, or professionally, what are you most looking forward to this year?

Feel free to share your thoughts on this month's question via email (sjsuasist@gmail.com) or on our social media channels (**Instagram, FaceBook, LinkedIn, Discord**).

Looking forward to hearing from you and also hearing about the amazing things you'll undertake this semester and year!
