Association for Information Science & Technology

Newsletter • November 2023

Hi Everyone,

Can you believe that there are only 2 months left in the year?! Neither can we. This means that Fall 2023 is coming to a close and that the winter break/holidays draw ever nearer.

For November, we'd love it if you can share one of the following with us: 1) Something that you're enjoying learning this school term or 2) A fall activity that you enjoy either on your own or with others.

We'll continue to share highlights and job opportunities as they present themselves.

As always, we'd be delighted to hear from you - whether you'd like to share an accomplishment, provide suggestions, or the like.

Happy November!
